

The Open University Business School

Alumni Council Member

Laurent Isch

Project Manager, UBS Switzerland AG

Area of Expertise: Project Management/Operational Development, Financial Services

Qualification: MSc in Finance

Laurent is a project manager for a global bank headquartered in Switzerland and has been part of the development of a leading Fixed Income automated trading engine. Having studied both the Bachelor and the MSc in Finance with The Open University, Laurent has a unique understanding of some of the underlying issues students face and is eager to implement his project management experience to support the Council.
