Dr Jamie Godwin, Lead Data Scientist, True Potential LLP

Dr. Godwin is the lead data scientist at True Potential LLP.

He holds a PhD from Durham University with a focus on statistical data-mining, along with degrees in Education and Computer Science.

His areas of interest and expertise include artificial intelligence, data mining, machine learning and robust multivariate statistics. His work can be found in numerous internationally recognised peer-reviewed publications, including conference papers, journals and books.

Currently, his work focusses on the use of data and technology to address the savings gap.
